Scraptoft Valley	Eamon Geraghty	07731-533810

Games are between teams of eight and take the same format as league games (i.e. seven sets comprising 4 x Pairs (best of 3, 501), 2 x Fours (single leg 801) and 1 x Eights (single leg 1001)). All legs are double start and there is no bust rule.

The game is won by the first team to win four sets. A coin toss decides first throw in the first leg and a further coin toss is made before the third leg (as necessary).

Results to be notified as for normal league games.
