

Leicester Inner City Darts League

Winter 2018-2019

Team Registration

The Leicester Inner City Darts League is run by the Leicester Inner City Darts Association and is open to any public house or club within approximately six miles of the city centre.

Invitations are being extended to teams to join the 2018-2019 winter league, which will commence on **Monday 24th September 2018**. Matches will be played on specified Monday nights throughout the winter and entry is open to all players both men and women. Young players may be registered but entry into licensed premises is at the licensee's discretion and should be sought in advance.

Teams will consist of **eight** players, but each team should register a **minimum of ten** players. Substitutions may be made during a match so all players attending a match may get a game if a team so desires.

Matches will consist of: **Four pairs** (best of three legs, 501)
 Two quartets (one leg, 801)
 One octet (one leg, 1001)

All legs are **double start** with **no bust rule**.

The entry fee is £30.00 per team.

All players must be registered before playing in a match – this may be done by a phone call to a committee member at any time before the start of the match.

A **league bond of £10.00 is payable by new teams**. This is refundable when the team leaves the league (subject to fines and penalties).

Please complete the registration form enclosed and return it with the relevant fee to Ian Robinson at the address below. Entries must be received by Friday, **September 14th 2018**. Cash is preferred, but cheques and postal orders made payable to the "Leicester Inner City Darts Association" will be accepted. **If you intend to enter the league but cannot get the form returned by the above date, please ring Roy on the number below and leave contact details for your team and venue.**

League places are limited so preference will be given to existing members if the league is oversubscribed, **providing that their registration form and fee are received by the closing date**. Entries received after this date will be dealt with in strict order of receipt and entry to the league cannot be guaranteed.

Please supply an email address if possible – it can be for anyone in the team.

Entries not delivered in person should be posted to:
